

**Continuing Education required every two-year renewal cycle.** Completed within the two years prior to current expiration date. Cannot re-use previously submitted CEU's.

**R5.4.2 Hours.** A qualifying licensee must provide proof of completion of required hours of continuing education per two year license cycle in the appropriate category in which the licensee is licensed.

|  |          |
|--|----------|
| Construction Supervisors License                                 | 12 Hours |
| Construction Supervisors License (One- and Two-Family Dwellings) | 10 Hours |
| Construction Supervisors Specialty License                       | 6 Hours  |

**Exception.** *Building officials* who are certified and in good standing in accordance with R7 are exempt from R5.4.

**R5.4.3.** All Construction Supervisor License holders are required to complete the appropriate number of continuing education each two-year renewal cycle as described in Section R5.4.2. The following hour(s) of continuing education topics are required:

|   |   |
|---|---|
| Code Review   | four (4) hrs (CS-unrestricted & CSFA one & two family) two (2) hrs (CSSL-specialty) |
| Workplace Safety  | one (1) hour  |
| Business Practices / Workers' Compensation              | one (1) hour  |
| Energy (except Demolition Specialty License)            | one (1) hour  |
| Lead Safe Practices ( <b>only first renewal cycle</b> ) | one (1) hour  |

The remainder credit hours to be completed by approved electives or additional topic hours.

#### **R5.4.9 Responsibilities of a Course Coordinator:**

5. providing course completion certificates within ten days of, but not before, completion of the entire course. Course completion certificates shall be completed in their entirety...

*Qualified licensees may acquire up to a maximum of six hours of continuing education via on-line training. Remaining hours shall be acquired through in-person, classroom training.*

**\*\*To locate when and where a class/course is scheduled please click on coordinator's website**
